ARTICLE X

INSURANCE AND CASUALTY LOSSES

10.1. Casualty Insurance. The Association's Board of Trustees, or its duly authorized agent shall have the authority to and shall obtain blanket "all-risk" property insurance, if reasonably available, for all insurable improvements on the Common Elements and such other property as the Association is obligated to maintain and insure. If blanket "all-risk" coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. The face amount of such insurance shall be sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

10.2. Liability Insurance. The Board shall also obtain a public liability policy covering the Common Elements, insuring the Association and its Members for all damage or injury caused by the negligence of the Association, any of its Members, employees or agents, or any other person who has a right to occupy a Dwelling Unit. The public liability policy shall have at least a One Million (\$1,000,000.00) Dollar single person limit as respects bodily injury and property damage, a One Million (\$1,000,000.00) Dollar limit per occurrence, if reasonably available, and a Three Hundred Thousand (\$300,000.00) Dollar minimum property damage limit.

10.3. Premiums. Premiums for all insurance on the Common Elements shall be a Common Expense of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the coverage required hereunder. The deductible shall be paid by the party who would be liable for the loss or repair in the absence of insurance and in the event of multiple parties shall be allocated in relation to the amount each party's loss bears to the total.

10.4. Specifications. All insurance coverage obtained by the Board of Trustees shall be written in the name of the Association as trustee for the respective benefited parties, as further identified below. Such insurance shall be governed by the provisions hereinafter set forth:

10.4.1. All policies shall be written with a company authorized to do business in Ohio which holds a Best's rating of A or better and is assigned a financial size category of XI or larger as established by A. M. Best Company, Inc., if reasonably available, or, if not available, the most nearly equivalent rating which is available.

10.4.2. All policies on the Common Elements shall be for the benefit of the Association and its Members, and their Mortgagees, as their interests may appear.

10.4.3. Exclusive authority to adjust losses under policies obtained by the Association on the Properties shall be vested in the Association's Board of Trustees; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

10.4.4. In no event shall the insurance coverage obtained and maintained by the Association's Board of Trustees hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees.

10.4.5. All property insurance policies shall have an inflation guard endorsement, if reasonably available, and, if the policy contains a co-insurance clause, it shall also have an agreed amount endorsement. The Association shall arrange for an annual review of the sufficiency of insurance coverage by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the Hamilton County area.

10.5. Additional Specifications. The Association's Board of Trustees shall be required to use reasonable efforts to secure insurance policies that will provide the following:

10.5.1. a waiver of subrogation by the insurer as to any claims against the Association's Board of Trustees, officers, employees and manager, the Owners and Occupants of Units, and their respective tenants, servants, agents, and guests;

10.5.2. a waiver by the insurer of its rights to repair and reconstruct, instead of paying cash;

10.5.3. a statement that no policy may be canceled, invalidated, suspended, or subject to nonrenewal on account of any one or more individual Owners;

10.5.4. a statement that no policy may be canceled, invalidated, suspended, or subject to nonrenewal on account of any curable defect or violation without prior demand in writing delivered to the Association to cure the defect or violation and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner, or Mortgagee;

10.5.5. a statement that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

10.5.6. a statement that the Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification, or non-renewal.

10.6. Other Insurance. In addition to the other insurance required by this Section, the Board shall obtain, as a Common Expense, worker's compensation coverage, if and to the extent required by law, Trustees' and officers' liability coverage, if reasonably available, fidelity coverage on Trustees, officers, employees, and other Persons handling or responsible for the Association's funds, and flood insurance, if reasonably available. The amount of fidelity coverage shall be determined in the Trustees' best business judgment but, if reasonably available, may not be less than one-sixth (1/6) of the Annual General Assessments and Neighborhood Assessments on all Lots, plus reserves on hand. Such coverage shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and shall require at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

10.7. Individual Insurance. Each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all-risk property insurance on the Lot; the Dwelling Unit and structures associated therewith. Each Owner further covenants and agrees that in the event of a partial loss or damage resulting in less than total destruction of structures comprising his or her Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article IX of this Declaration. The Owner shall pay any costs of repair or reconstruction which are not covered by insurance proceeds. In the event that the structure is totally destroyed, the Owner may decide not to rebuild or to reconstruct, in which case the Owner shall clear the Lot of all debris and ruins and thereafter the Owner shall maintain the Lot in a neat and attractive, landscaped condition consistent with the standard prevailing in the neighborhood.

10.8. Damage and Destruction.

10.8.1. Immediately after damage or destruction by fire or other casualty to all or any part of the Property covered by insurance written in the name of the Association, the Board of Trustees or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Properties. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Properties to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

10.8.2. Any damage or destruction to the Common Elements shall be repaired or reconstructed unless the Owners representing at least seventy-five (75%) percent of the total votes of the Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the

period shall be extended until such funds or information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Elements shall be repaired or reconstructed.

10.8.3. In the event that it should be determined in the manner described above that the damage or destruction to the Common Elements shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Properties shall be cleared of all debris and ruins and maintained by the Association, or the Owners, as applicable, in a neat and attractive, landscaped condition consistent with the standards prevailing in the neighborhood.

10.9. Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies held by the Association are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction shall be retained by and for the benefit of the Association and placed in a capital improvements account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and their Mortgagee(s), as their Interests may appear, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by such Mortgagee.

10.10. Repair and Reconstruction. If the damage or destruction to the Common Elements for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Trustees shall, without the necessity of a vote of the Owners, levy a special assessment against the Owners. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

10.11. Additional Insurance Provisions. The Declarant or Board, without a vote of the Unit Owners, may amend the provisions of this Article or any supplemental provisions set forth in a Supplemental Declaration, if such amendment is necessary to comply with secondary mortgage market guidelines or is necessary or desirable to meet the requirements of any institutional lender, the Veteran's Administration, the Federal Housing Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, or any other agency which may insure or purchase loans on a Unit.

ARTICLE XI

CONDEMNATION

11.1. Whenever all or any part of the Common Elements shall be taken (or conveyed in lieu of and under threat of condemnation by the Board) by any authority having the power of

condemnation or eminent domain, each Owner shall be entitled to notice thereof. No Owner, however, shall have the right to participate in the proceedings incident thereto, unless otherwise required by law. The award made for such taking shall be payable to the Association, as trustee for all Owners, to be disbursed as follows:

11.1.1. If the taking involves a portion of the Common Elements on which improvements have been constructed, then, unless within sixty (60) days after such taking the Declarant and at least seventy-five (75%) percent of the Owners shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Elements, to be extent lands are available therefore, in accordance with plans approved by the Board. If such improvements are to be repaired or restored, the above provisions in Article X hereof regarding the disbursement of funds in respect to casualty damage or destruction, which is to be repaired, shall apply.

11.1.2. If the taking does not involve any improvements on the Common Elements, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

ARTICLE XII

DEVELOPMENT RIGHTS

12.1. Submission of Additional Land. The Declarant reserves the rights to submit all or any portion of the Additional Land to the terms of this Declaration without consent of the Owners at any time during the Development Period. The submission shall be accomplished by the filing of a Supplemental Declaration identifying the Additional Land, the Lots and the Common Elements. During any Declarant Control Period, annexation of Additional Land shall require the prior approval of the Federal Housing Administration or the Veterans Administration, if either such agency is insuring or guaranteeing the mortgage on any Lot.

12.2. Notice to the Board. The Declarant shall promptly notify the Board of the filing of any Supplemental Declaration.

12.3. Easements Reserved. The Declarant reserves for itself, its successors and assigns and any Builder, the following easements:

12.3.1. Easements for drainage and all utilities as shown on the Record Plan.

12.3.3. An easement over the Common Elements as may be reasonably necessary for the purpose of discharging its obligations or exercising any rights under the Declaration.

12.3.4. An easement for ingress, egress, drainage and all utilities over the Common Elements and in favor of the Additional Property and the right to convey that easements to others in the event that the Additional Property is not submitted to this Declaration.

The judgment or instrument conveying title must provide for the transfer of such rights. Upon foreclosure sale, deed in lieu of foreclosure, judicial sale, tax sale, sale under the U.S. Bankruptcy Code or receivership proceedings, the Declarant ceases to have any of the rights herein reserved. A successor to the Development Rights held by a transferee that acquired such rights pursuant to this Section, may declare by a recorded instrument the intention to hold such rights solely for transfer to another person. Thereafter, until transferring such Development Rights to any person acquiring title to the Property subject to the Development Rights, or until recording an instrument permitting exercise of such rights, that successor may not exercise any of those rights, and any attempted exercise is void.
