Festival of Lights

It's a great way to ring in the week of Christmas, as we display our Christmas lights and stroll through the neighborhood.

Each home that participates can play Christmas music, turn on their lights, and pass out individually wrapped candy or goodies to those who visit.

Have a special talent or way of celebrating the holidays? We would love to see that too!

Please sign up by: Saturday, December 19 to participate @ joinne.ruff@gmail.com.

(In our COVID environment, we ask that everything is individually wrapped and commercially prepared)

Don't forget your holiday wear!
