

## RULE REGARDING DRIVEWAY PADS

Extension of Driveways. In addition to the restrictions as set forth in Article IX, Section 9.2.11 of the Declaration regarding Front Yards and Driveways, each Lot with a frontage of at least 35 feet may extend the width and length of the driveway. The extension must be a single, contiguous addition to the existing driveway and shall not be more than 11 feet in width and shall not be longer than the existing length of the driveway. The extension must be constructed of concrete or paver bricks, which paver bricks shall be approved by a majority of the Board. An Architectural Review application must be filed along with a complete drawing of the proposed extension. The proposed extension must be harmonious with the overall development. An approved driveway extension shall be maintained by the Lot Owner in the same manner as the driveway and other improvements to the Lot.
